

## **CHANNEL ISLAND RETURNS**

To help us facilitate your request to send goods from the Channel Islands back to the UK ALL the following information will be required to enable Condor Logistics to clear the goods through UK Customs and revenue. This information will need to be presented on your own companies headed paper along with a copy of the export invoice.

- Importers Name, Address, VAT number and Customs Deferment number (if applicable). NOTE: If ownership has changed hands, VAT is applicable.
- Consignors Name and Address.
- Value of the goods, weight, dimensions and Description.
- The Reason for Import.
- Length of time the goods have been in the Channel Islands.
- Delivery / Collection requirements in the UK.

We will also require a signature from the person providing this information.

Information in regards to who will be taking Condor Logistics freight charges will also be required.

NOTE: If the above information is not provided we will be unable to collect or ship your goods.

**All transactions executed under the Company's Conditions of Carriage, which are available on request.**
